

BABEL *Genesis 11:9*

Chorus A:

Therefore its name was called Babel
Because there the Lord confused
The language of all the earth
And from there the Lord dispersed them over the face of all the earth

Verse 1:

Then they said, "Come, let us build ourselves a city and a tower
With its top in the heavens and let us make a name for ourselves
Lest we be dispersed over the face of the whole earth
Over the face, of the whole earth

Verse 2:

And God said, "Come, let us go down and there confuse their language
So that they may not understand one another's speech."
So the Lord dispersed them from there over the face of, all the earth,
And they left off...building the city

Chorus B:

And they called it Babel, they build a tower
They told themselves, this is our finest hour
And they called it Babel, but God burst their bubble
And they left that city unfinished rubble
And they called it Babel
